

WELCOME TO ST. JOSEPH COLLEGE OF ENGINEERING

-

" WE FORM YOU TO TRANSFORM"

OUR FOUNDER & CHAIRMAN

Rev. Fr. Dr. J. E. Arulraj, DMI & MMI GROUP OF INSTITUTIONS.

The mission of St. Joseph College of Engineering is to sustain a community of individuals who are dedicated to the achievement of excellence and who share a vision related to Engineering & Management. St. Joseph College of Engineering is a well established institution committed to impart education cum discipline to the society since 2001..

Each course adopts a comprehensive and unified approach calling for rigorous study in a variety of fields both within the discipline and other related areas. Thus the student is prepared with a thorough understanding of science and technology related to his/her discipline with its implications..

SJCE Vision

To become an internationally reputed institution, by producing competent professionals with exemplary skills and technical values..

SJCE Mission

To achieve higher level technological and professional excellence.
To impart quality and holistic professional education.
To train professionals to be entrepreneurs and employment generators.
To enhance the capabilities of faculty through research and consultancy by providing greater facilities.

Quality Policy

We, at St. Joseph College of Engineering, are committed to Impart Quality and Value Based Education that develops our Students, as Professional of Excellence, show that they evolve as Responsible Citizens who promote Industrial Progress, growth and Social Transformation. We pursue Continual Improvement to Promote Innovation in all Spheres of Functioning.

SUPERIOR GENERAL MESSAGE

Superior General

Rev.Fr.William. , DMI & MMI GROUP OF INSTITUTIONS.

Seasonable greeting to you in the holy name of Jesus. I am very much delighted to pen in this remarkable occasion. SJCE provides a students-centered learning environment with close student-faculty interaction and constant participation of the industry. It emphasis to create a propulsive, curriculum, to the needs of the industrial and practical training to enable the young graduates easily cope with the professional challenges as they get into the industry. Through periodic seminars, symposia, workshops, industrial visits and internship as an integral part of the course, the student are equipped with technical knowledge, critical thinking skills and creative to excel in the engineering profession. Alongside, technology fairs, college carnivals, sports summits and other such co-curricular and extra –curricular and extra –curricular events also constitute an important part of life at SJCE which aims at developing attitudinal, behavioral, and organizational skills of its students. We are well equipped in every aspect to meet the expectations of the industry successfully. As s young leaders of MMI, I wish you all every success and pray that you will focus on doing good works and make a positive difference around you

ADMINISTRATOR MESSAGE

Administrator

Rev.Fr Savariappan. SJCE

Our college is recognized as a state leader in teaching and Learning. We create a safe social environment that helps all our students learn and succeed. The College emphasizes developing and maintaining positive relationships in knowing each student as an individual. With 1242 students, we provide more personal support and greater opportunities to each student in choosing their field of interest. Parents and visitors compliment us on the warm atmosphere and our strong sense of community.

We encourage all our students to develop high expectations about themselves, their work and their behavior, Which is an expression of our values of individual best, integrity, respect and responsibility. Our approach involves working with parents to meet the individual needs of every student and supporting them to fulfill their academic and co-curricular goals and dreams. I am proud of the significant accomplishments of our students and the results of our college which has achieved in being a better choice in education.
